ENERGIZE AND ENGAGE

HARMAN Professional’s audio, video, lighting, and control solutions provide bold innovations that enable nightlife venues to create unique and engaging entertainment experiences in every space. From the lobby and bar to the entertainment spaces and the pool, HARMAN has the perfect solution to meet your needs.

BAR / LOUNGE
Relax and Entertain
The bar or lounge allows guests to drink and talk right without leaving the venue, offering everything they need within a single space. HARMAN audio, video, and lighting solutions allow guests to relax while still engaging in the fun.

DANCE FLOOR
Move and Shake
A dance floor isn’t complete without the thumping bass and flashing lights. Guests will be lost in the music as HARMAN's performance audio and lighting solutions provide the ultimate experience.
**EXTERIOR**

The Perfect First Impression
A building’s exterior can impact guests before they even walk through the door. HARMAN architectural lighting and digital signage solutions enhance the existing architecture while reinforcing a venue’s brand, creating a signature experience.

**LOBBY / ENTRANCE**

A Welcoming Experience
A clear sense of identity in the lobby or club entrance is critical to crafting the overall experience. HARMAN lobby solutions welcome guests with digital signage, architectural lighting, and background music.

**PATIO / POOL**

Entertain In Any Weather
Outdoor areas like patios and pools provide the ultimate mixture of atmosphere and entertainment that creates that unique experience guests love. With technologies designed specifically to work outdoors, HARMAN audio, video, and lighting solutions are able to keep the party going no matter what the weather.

**STAGE**

The Total Performance Solution
HARMAN performance solutions are used by the biggest music acts in the world. With innovative solutions for every part of the audio signal chain from microphone to speaker and industry-leading performance lighting technology, HARMAN will keep the music rocking and the crowd moving.
